

THE PRODUCER

The Producer programme is the perfect path for the bedroom Producer looking to take their music & creativity to the next level. We teach the exact same way in which we learnt; getting only into the absolutely necessary theoretical concepts but stressing more on using your creativity and ears to get you the sound you want.

OVERVIEW

- 01 Introduction to Ableton
- 02 Creative approaches to musical ideas
- 03 Converting ideas into complete records
- 04 Songwriting
- 05 Advanced Music Production
- 06 Advanced Mixing & Mastering
- 07 Creative Sampling
- 08 The 30 minute technique
- 09 Kerano & Suitstatic's project files and in-depth Mentorship

The 'Producer' programme includes an exclusive KAMP1 membership that gives you unlimited access to all of KAMP1's facilities and resources for 1 year after the completion of your course. This includes access to the jam room, studio, DJ console, project files, one-on-one sessions and masterclasses.

With the 'Producer' programme, KERANO takes you completely under his wing, not as a teacher, but as a mentor, guide and friend; helping you navigate all the hurdles he faced when he was starting out in the music industry. As a member of the 'Producer' programme, you'll be an integral part of the KAMP1 family.
