

COURSE 2

THE INSTRUMENTALIST

Stepping away from grades & unnecessary theory, 'The Instrumentalist' programme brings back the joy of playing and learning real instruments coupled with a brief introduction to the digital domain and the tools required to make you a complete musician. Whether you're a parent of 3 or still getting through school, this one is for you.

OVERVIEW

- 01 Introduction to your instrument of choice
- 02 Rudimentary, intermediate and advanced exercises
- 03 Jam Sessions
- 04 Recording & Mic-ing your instrument
- 05 Songwriting
- 06 Introduction to Ableton
- 07 Ideation & Collaboration
- 08 Completing a Record
- 09 Kerano & Suitstatic's project files and in-depth Mentorship

The 'Instrumentalist' programme includes an exclusive KAMP1 membership that gives you unlimited access to all of KAMP1's facilities and resources for 1 year after the completion of your course. This includes access to the jam room, studio, DJ console, project files, one-on-one sessions and masterclasses.

With the 'Instrumentalist' programme, KERANO helps you explore the world of instruments while you learn the right balance between music and the latest in music technology.
